Date : 14.11.2023

Dear Ma'am | Sir,

ADLE
let

As you are aware, under the National e-Governance Plan (NeGP), Government of India has launched the National Scholarship Portal (NSP) in the year 2015, with an aim to provide a common online platform for the various scholarship schemes of the Central Government and the State Government. The prime objective of the National Scholarship Portal (NSP) is to create a unique, simplified and user-friendly platform for students to help to eligible and genuine beneficiaries avail benefits of educational scholarships in an efficient and transparent manner. To ascertain the genuineness of the applicants, the online applications received are verified at the level of Institutes, District and State by the respective Nodal Officers at each level.

2. For the efficient and transparent functioning of the scholarship schemes and disbursement of scholarship to eligible and genuine beneficiaries, the Central Government has started AADHAAR based biometric authentication of State Nodal Officers (SNOs), District Nodal Officers (DNOs), Head of Institutions (HoIs) and Institute Nodal Officers (INOs) in all states. Since NSP software does not have provision of Biometric authentication, it was decided to conduct the exercise through Common Service Centres (CSCs). The Department has now engaged CSC for Biometric authentication of INOs, DNOs and HoIs. The exercise is expected to take approximately 30 days.

3. The all India exercise has been distributed among different central government departments. This Department has been entrusted with the responsibility of the Aadhaar based Biometric Authentication of State Nodal Officers (SNOs), District Nodal Officers (DNOs), Head of Institutions (HoIs) and Institute Nodal Officers (INOs) through CSC, in the states of Gujarat, Telangana and Andhra Pradesh. The list of SNOs, DNOs, INOs and HoIs is enclosed.

4. The exercise will be conducted in the leadership of the State Nodal Officer (SNO) and District Nodal Officer (DNOs) of the State and therefore role of these officials become crucial to complete the drive in time bound manner. The Biometric Authentication of INOs, HoIs and DNOs shall be carried out at the District Headquarter by organising camps at district level or at any other location convenient to stakeholders. He may conduct more than one camps in his district as per the convenience of stakeholders but his presence in the camp is mandatory.

5. As we know, the INOs and HoIs are controlled and regulated by State Education Departments, both school education as well as the higher and technical education. Some of

the State nodal officers are from the respective secondary and higher secondary education boards. Therefore, the Schools/ Colleges/ Universities are also to be brought on board to complete the verification exercise timely. An advice from your Office to the Education Departments to make available institutes for biometric authentication will help immensely to complete the drive in time.

6. The Department has instructed Common Service Centre (CSC) to appoint State Coordinators for the states of Telangana, Andhra Pradesh and Gujarat. A list of such officers are being sent to State Nodal Officers (SNOs) and District Nodal Officers (DNOs). The SNO/DNOs should reach out to the State Coordinators for coordination, training, awareness and better scheduling of Biometric Authentication Camps at District and Institute level.

7. In view of above, it is requested that an appropriate instructions should be issued to the Education Department as well as SNOs/ DNOs dealing with Scholarships of Central Government to complete the authentication drive within the stipulated time.

8. Your active support and coordination in the matter would be greatly appreciated.

With regards,

Enc: as above

Yours sincerely,

Step 4. After successful completion of Step no. 1, 2 and 3, HoI and INO shall visit the CSC camp for bio-metric authentication.

Any Aadhaar related changes/updation (i.e, change in Aadhaar no. or Name or Gender or Mobile no.) in their NSP profile (i.e., either INO or HoI) would nullify their Bio-metric authentication status from NSP and they must have to perform bio-metric authentication again (even if they have done earlier).
2. The bio-metric authentication of INO can only be done if the bio-metric authentication of HoI is successfully synchronized with NSP from CSC. The bio-metric authentication status (for HoI and INO) can be checked from NSP login (refer image below).

3. CSC has developed the utility (available at <https://nspbau.in/public/dashboard>) to synchronize the bio-metric authentication status with NSP. Nodal officers can synchronize their bio-metric authentication status from the above-mentioned link.
4. For operational assistance on various issues please check Frequently Asked Questions (FAQs) on scholarships.gov.in in Institute Corner.

13. How will any institute get suspended?

Ans. Institute's verification section will be disabled as soon as any application belonging to the institute is marked as FAKE by the DNO / SNO / MNO of any scheme and Institute will be known as SUSPENDED INSTITUTE on NSP. During suspension period institute will not be able to verify any application i.e., institute's verification link will be disabled. As soon as any institute

gets SUSPENDED, the applications pending for verification at 2nd level & final level verified applications (except those which are pushed to PFMS for payment) belonging to suspended institute will be sent back to institute's level and the same will be verified once again until institute's suspension is REVOKED by re-verification of suspended institute by DNO/SNO/MNO.

14. To whom institute should approach if it gets suspended by NSP?

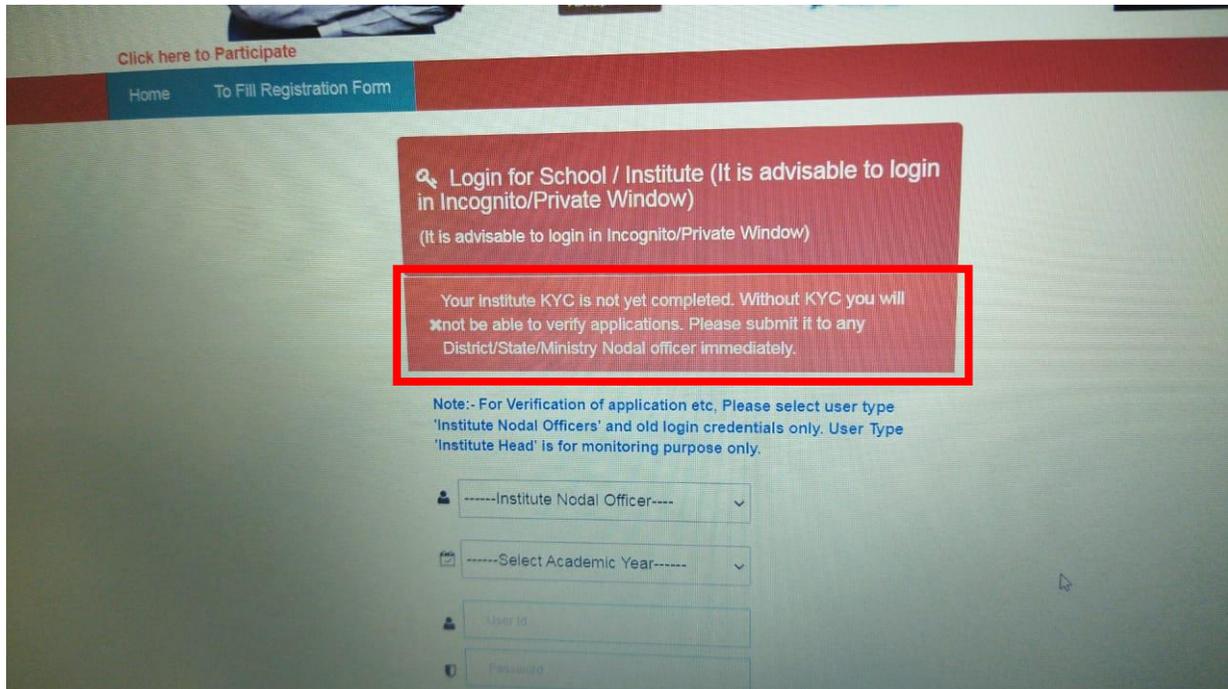

Ans. The suspended institute can be revoked after re-verification of the institute by the same DNO (who marked the application fake) or by SNO of the state (to which DNO belongs to) or MNO of the scheme. Once institute is revoked then it will have to re-verify all eligible applications again (i.e. applications whose verification date is open by that time). Application verification date depends upon scheme. So, applications belonging to the schemes whose verification date gets over, by the time on which institute is reverified by DNO/SNO/MNO, it will remain unverified at institute level.

While marking applications FAKE, DNO/SNO/MNO will be intimated for the entire workflow / scenario of suspension & revoke process of the institute as an alert by the system.

15. Can approved KYC of an Institute be rejected or cancelled?

Ans. In-case any INO is marked as faked, the KYC of the Hol and INO of the Institute will be invalidated by the NSP portal. The institute shall initiate the process of KYC registration of Hol and INO once again.

16. What INO should do if she is getting below screenshot message while login. Please find the screenshot below:

Ans. This Error message is due to the KYC Registration is not completed. The initial step is to complete the KYC registration, scan the filled KYC registration form and then get it approved by respective Hol. After that it will be approved by DNO. Post the final approval of DNO, the Nodal officer gets login Id and Password. Using this login Id and password the Institute INO will now be able to login (this error message will not come).

Common errors faced in Bio-auth drive and their solutions

Important Note:

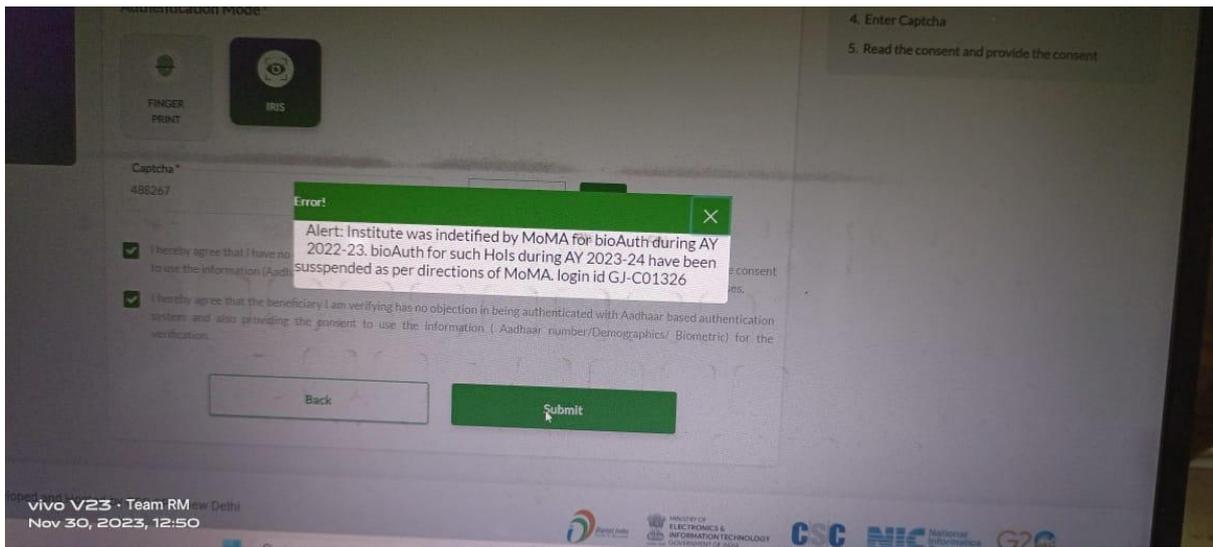

INO and HoI both should ensure that their Aadhaar should be updated in their respective NSP logins before any of them going for BioAuth.

Any Aadhaar related changes/updation (i.e., Changes in Aadhaar no. or Name or Gender or Mobile no.) in their NSP profile (i.e., either INO or HoI) would nullify their BioAuth status from NSP and they must have to perform BioAuth again (if done earlier).

Error / Alert 1

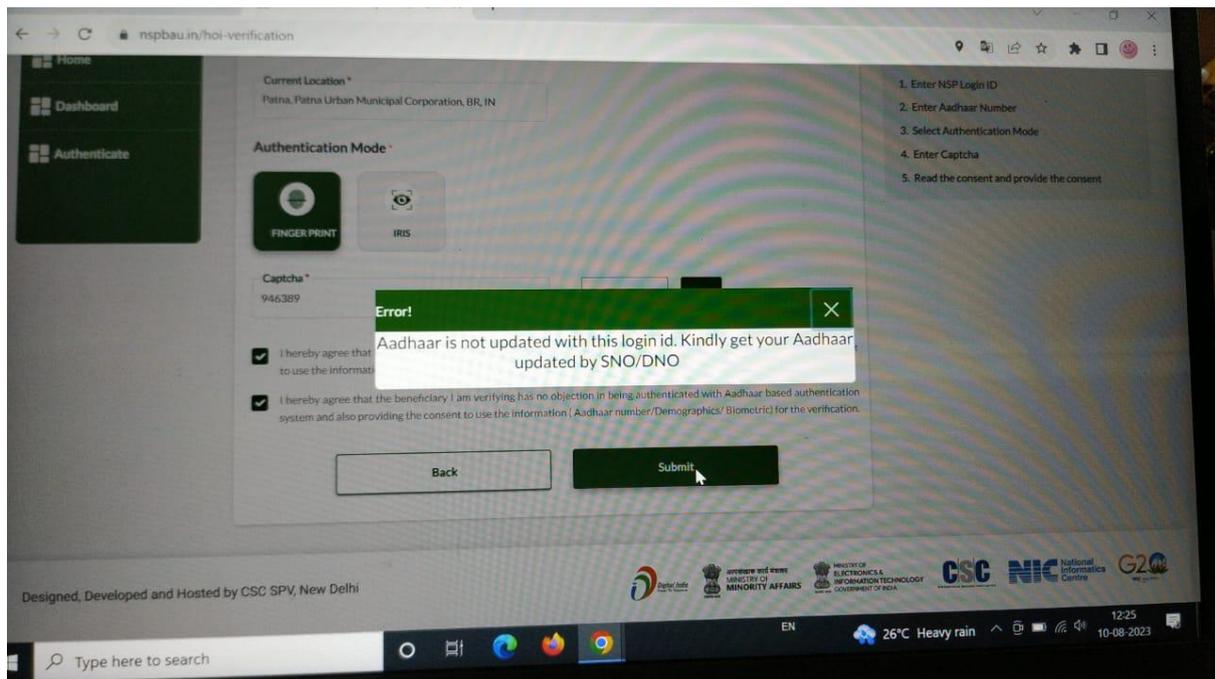

This Alert message on CSC – BAU will be shown to those institute’s Hol and INO who were identified by MoMA for biometric authentication in AY 2022-23. After this special BioAuth drive conducted by MoMA, all such Hols, INOs, DNOs and SNOs were freezed (i.e. Hol/INO/ DNO/SNO cannot be changed on NSP, also their biometric authentication will not be allowed further in AY 2023-24) as per the instructions received by MoMA. For any clarifications or relaxations please reach out to MoMA.

Error / Alert 2

This Alert message on CSC – BAU will be shown to those institute’s HoI and INO who have not updated their profile on NSP portal during AY 2023-24. All INOs are advised to update their profile on NSP under the ‘Administration→ Update Profile’ section after login on NSP. For BioAuth of HoI / INO ‘update profile’ is must.

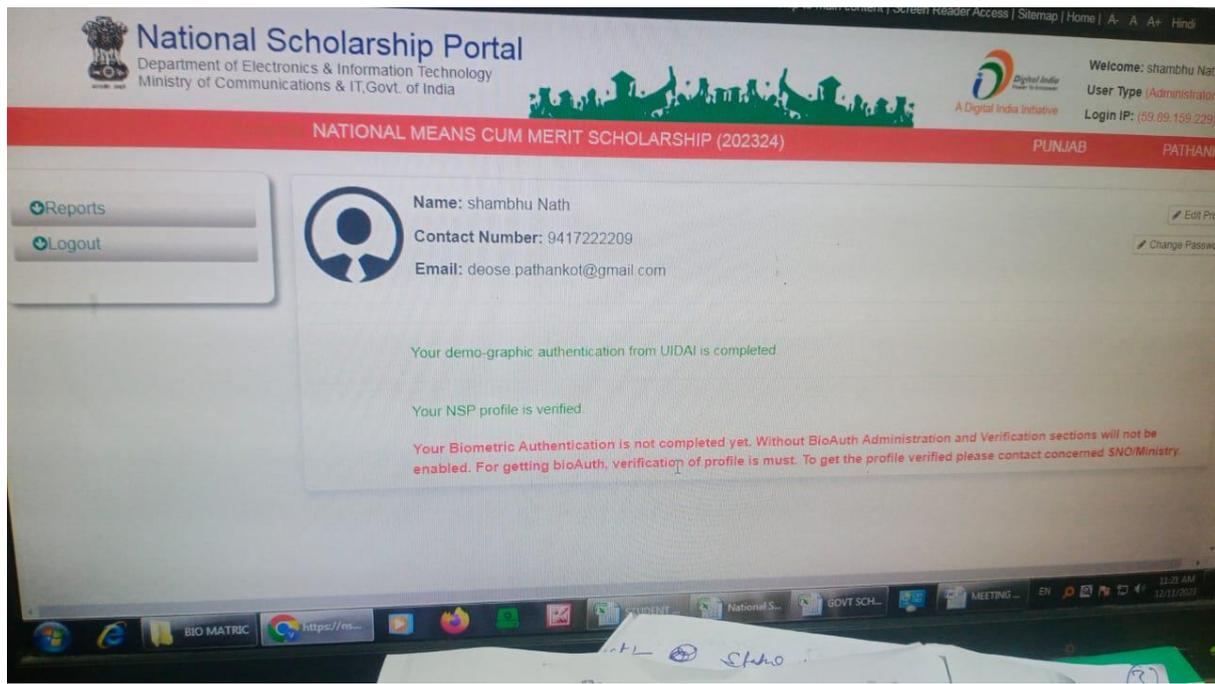

Error/Alert 3

Root Cause: Demo-auth of INO/HOI is failing. This could be because HOI/INO got changed or INO/HOI has changed some information in aadhaar after providing aadhaar on NSP.

Solution: INO/HOI has to get their aadhaar updated by SNO/DNO.

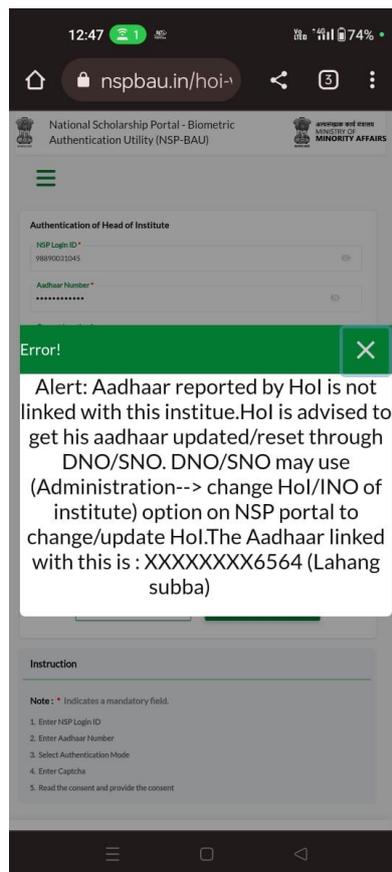

Error/Alert 3.1

Root Cause: Demo-auth of DNO is showing as not completed yet. However, the DNO has got his BioAuth completed from CSC BioAuth Centre.

Solution: There are cases wherein the error message (as shown in the above screenshot) shows that Bio Auth is not completed for the DNO. This is due to the reason that after getting the BioAuth completed DNO has again changed his Aadhaar in NSP.

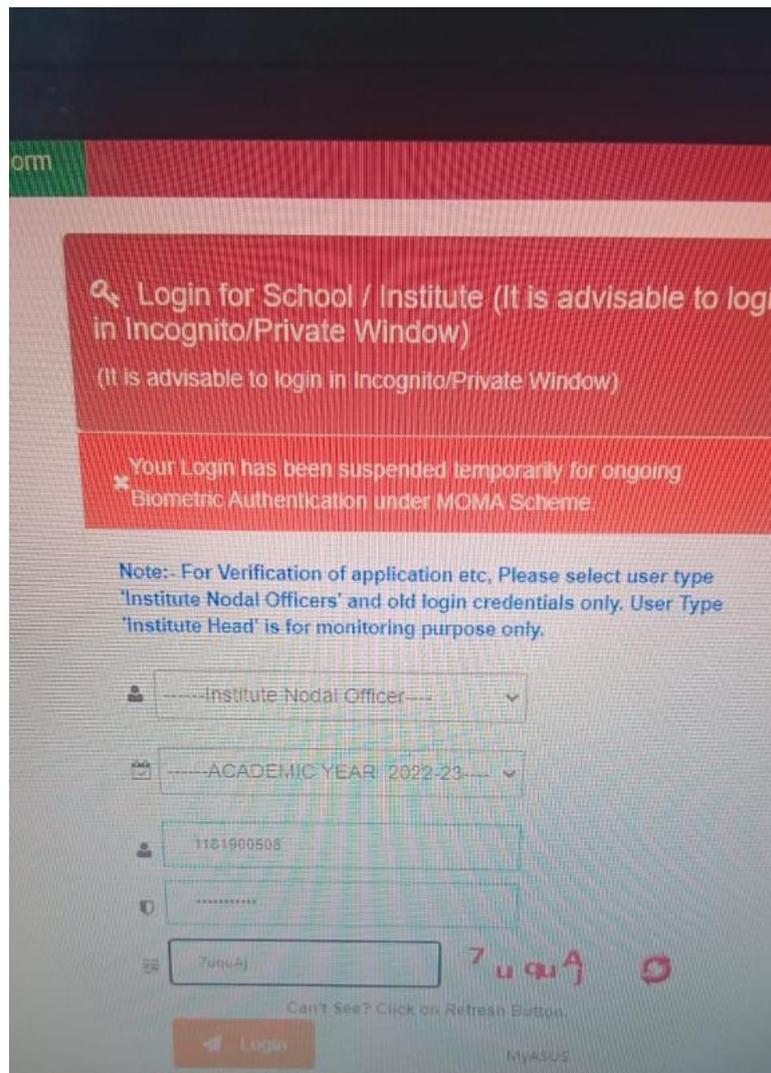

Error/Alert 4

Root Cause: The officer's aadhaar received from CSC utility is not matching with the officer's aadhaar in NSP. This could be because Aadhaar no entered at CSC (as reported by Nodal Officer) is wrong (means the individual is not same as the one registered on NSP).

Solution: Hol shall get his aadhaar updated in NSP by SNO.

Error/Alert 5

Root Cause: DNO/SNO has marked any application fake and thus as per defined rule institute login (INO login) is suspended.

Solution: The DNO/SNO shall revoke this institute from their login. After revocation of institute, can login into the institute. Institutes are advised to refer the Institutes' FAQ available at [InstituteFAQ.pdf \(scholarships.gov.in\)](https://scholarships.gov.in/InstituteFAQ.pdf).

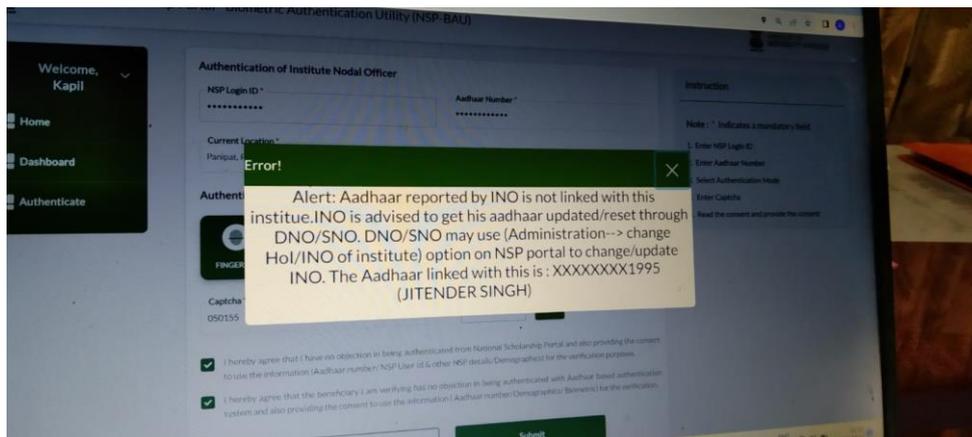

Error/Alert 6

Root Cause: INO is trying to get his bio-auth done before bio-auth of Hol.

Solution: INO shall perform his bio-auth after the bio-auth of Hol is successful. In some cases, Hol gets the BioAuth done on CSC utility however, INOs BioAuth is denied on CSC utility and hence the above error message is shown. In such cases, NSP may not get bio-auth response of Hol immediately after he perform his bio-auth from CSC utility, hence the alert is shown. Ask the CSC VLE operator to synchronize the BioAuth response of Hol and then try again. Even if the error still persist, please report synchronization issue to the CSC.

Error/Alert 7

Root Cause: The officer's aadhaar received to NSP from BAU utility is not matching with the officer's aadhaar registered on NSP. This could be because Aadhaar no entered at CSC (as reported by Nodal Officer) is wrong.

Solution: INO shall get his Aadhaar updated in NSP by DNO/SNO. INO / HoI are also advised to check with the CSC VLE has entered the correct Aadhaar number on BAU utility or not.
